### **Quassy Gears Up for 118th Season with New Website, Inviting Park Patrons to Share Generations of Memories**

**MIDDLEBURY, CT** – As Quassy Amusement Park & Waterpark prepares to open its 118th season, the historic Middlebury destination is turning to the community to help celebrate more than a century of Connecticut summer traditions.

While the park has preserved its nostalgic charm, it has continued to evolve throughout the decades with new attractions and guest enhancements. Following the addition of two new rides last summer, Quassy will debut a modern, redesigned website ahead of the 2026 season that will be more visually appealing as well as easier for future guests to navigate, plan visits, and buy tickets.

The park is also launching a photo contest and inviting park patrons to share photographs from their Quassy experiences through the years to be featured on the new website, bringing back to life some favorite family memories for multiple generations who have visited Quassy.

From black-and-white snapshots of early park days to recent splashdowns at Splash Away Bay, park officials say some of the most meaningful pieces of Quassy’s history may be tucked away in family photo albums.

“We’ve been lucky to help create memories here for generations, and now we’re asking our guests to help us tell that story,” said George Frantzis, owner of Quassy and grandson of the original founder of the family-owned and operated business. “There are so many Quassy moments out there you don’t realize are going to stick with you. This contest is a fun way to bring those memories back to life as we count down to Opening Day while featuring our guests.”

Participants may submit photos in three categories:

**Vintage Quassy** – Old school photos, throwbacks and classic memories

**Amusement Park Moments** – Ride or park photos from 2023 through 2025

**Splash Away Bay Memories** – Waterpark fun from 2023 through 2025

One winner will be selected from each category. Each winner will receive four Combo Passes valid for the 2026 season.

Submissions will be accepted through March 30. Winners will be contacted via email on April 1. Contest details and submission information are available at
