

SUNSHINE

Guarantee

If the park announces closure of most major rides due to heavy rain, lightning, or any other force of nature, the park will issue a Sunshine Guarantee Pass to customers who wish to leave.

- A parkwide announcement regarding closure will be made.
- Any guest looking to obtain a Sunshine Guarantee Pass can go to either our Group Sales building or Main Office for the Sunshine Guarantee.
- Please keep in mind that a Sunshine Guarantee Pass will only be given to guests still wearing a wristband purchased that day.
- The Sunshine Guarantee Pass must be obtained before exiting the park.
- By receiving a Sunshine Guarantee Pass, you forfeit the rest of the day at Quassy should the park reopen.

Most of the time, when the waterpark and rides shut down temporarily during a fast-moving storm, full operations are resumed within the hour. Passes are given as follows:

- **Before 4:00 PM:** A guest will receive an All-Day Pass valid for the pass type purchased.
- **After 4:00 PM:** A guest will receive an After 4 PM Pass valid for rides and the waterpark after 4 PM.
- Sunshine Passes will not be issued within one hour before the posted closing time.
- Sunshine Passes will NOT be valid on July 4th.
